Day 1: Tuesday, June 18, 2024 Bozeman, Montana - Tour Begins Step outside, take a deep breath in, and look around you – you’re in big sky country. Montana is wilderness, adventure, and beauty, and you’re about to see what makes it unique, as well as its crown jewels. Today, arrive in Bozeman, the jumping off point to explore the northern and southern loops of Yellowstone, America’s first national park. Get your cameras ready and your boots laced tight, there’s a good chance you’re going to come across roaming bison, roaring geysers, and more.

Day 2: Wednesday, June 19, 2024 Bozeman - Yellowstone Southern Loop - Gardiner This morning, pass through Yellowstone’s western gate and venture into the Lower Loop, the road that encircles the entire lower half of the National Park. Your first stop will be at the Grand Prismatic Spring, where steaming azure-blue waters clash brilliantly with the bright orange of the clay earth surrounding it. You’ll quickly learn why this is one of the most photographed spots in the entire park – its unearthly beauty is something to behold. The best spot to take it all in is at the overlook, and you’ll have enough time to take the 20-minute hike up if you choose. Afterwards, head to Old Faithful, the legendary geyser that you can “set your watch to.” Enjoy lunch on your own, walk the boardwalk trails surrounding Old Faithful, and check the time on the next eruption. No drive through Yellowstone is that quiet, though – you’ll want to gaze out your window at the mountains, plains, cliffs, and forests. Bison, elk, bears, eagles, wolves, and antelope call this incredible slice of wilderness their home, and you might spot them at any time. (B, D)

Day 3: Thursday, June 20, 2024 Gardiner - Yellowstone Northern Loop - Gardiner Today, explore Yellowstone’s northern loop. Your first stop will be Mammoth Hot Springs. Here, bubbling pots of geothermal water trickle down the step-like terraces, creating incredible shapes and colors. Explore the boardwalks that wind through the steaming landscape. Next, head to the Grand Canyon of Yellowstone lookout, where you’ll find yourself standing over the massive, 20-mile-long canyon. Its craggy walls are streaked with brilliant whites, pinks, and oranges from the volcanic minerals contained in the rocks. The Yellowstone River roars along at the bottom over three different waterfalls. Later today, return to your hotel in Gardiner. (B)

Day 4: Friday, June 21, 2024 Gardiner - Paradise Valley - Helena This morning, head through the sweeping vistas of Montana’s Paradise Valley. In the distance, you’ll see the Absaroka Beartooth Mountains to the east, and the Gallatin Range of the Rocky Mountains to your west. You’ll arrive in the capital of Montana, Helena, a city with rich gold rush history and beautiful Victorian era architecture. These days, the “Queen City of the Rockies” is less known for gold and more known for its great local restaurants and microbreweries, as well as a stunning trail system in the surrounding landscape. (B, D)

Day 5: Saturday, June 22, 2024 Helena - Gates of the Mountains - Helena Start your day today with a local guide showing you around the beautiful and welcoming mountain city of Helena on a narrated, train trolley tour. See the opulent mansion district, marvel at the Cathedral of St. Helena, and roll by governor’s homes. Pass by a restored miners’ village, enjoy the unique architecture along Last Chance Gulch, and catch a glimpse of the Old Fire Tower. After exploring the city a bit, you’ll have time on your own to enjoy the charm of downtown Helena before heading to the Gates of the Mountains. Here, on the shores of the Missouri River, you’ll follow in the footsteps of the most renowned explorers in American history – Lewis and Clark. Climb aboard a boat and cruise these storied waters, follow the path Lewis and Clark took on their legendary journey across this vast wilderness, and take in the natural beauty. Meriwether Lewis himself named this stunning canyon the Gates of the

Mountains, and you'll discover just how it must have felt to come across this awe-inspiring sight. Tonight, return to Helena for an evening at leisure. (B)

Day 6: Sunday, June 23, 2024 Helena - Great Falls - St. Mary

Today, venture to Great Falls, where the mighty Missouri River thunders down from the Rocky Mountains, over five waterfalls to the great plains below. This was a massive obstacle for Lewis and Clark's expedition in 1805. They had to carry their boats over land for a month to make it from the lower falls to the upper falls. You will not have to work that hard, because **it's your choice!** Visit the Lewis and Clark National Historic Trail Interpretive Center where you can learn about the trials of the legendary expedition **-OR-** explore the exhibits at the C.M. Russell Art Museum during a guided tour, where you'll see the art of Charles Russell, a cowboy-turned-artist from the turn of the century, as well as his original home and log studio. Afterwards, continue to St. Mary, the eastern entryway to Glacier National Park. (B, D)

Day 7: Monday, June 24, 2024 Glacier National Park - Going-to-the-Sun Road - Whitefish

Head into Glacier National Park to board one of the 1930's vintage red buses and venture down one of the most breathtaking roads in North America, Going-to-the-Sun Road.* Sit back and admire the views of the valley as your "jammer," one of the experienced guides, drives you through this natural landscape. Relax and take in all the majestic sights, before heading to the town of Whitefish where forests, lakes, rivers, and mountains unfold in every direction. (B, L)

Day 8: Tuesday, June 25, 2024 Whitefish This morning, enjoy some leisure time in the quaint, picturesque town of Whitefish. Always listed as one of America's 25 prettiest towns, indulge

yourself with time to stroll around, do some shopping, or just relax. Perhaps you'll stop for lunch at one of the great restaurants found along Central Avenue or buy some Huckleberry jam from a local shop. A true favorite in Montana, huckleberries can be found in snacks, drinks, candy, and more. Your morning leads into an adventurous afternoon, because **it's your choice!** Grab a paddle and get ready for a white-water rafting adventure **-OR-** take the calmer, scenic route on a float down the Flathead River. No matter which style river journey you choose, the awe-inspiring views of Glacier National Park await. Tonight, tell tales about your river escapades while sitting down for a mouth-watering barbeque dinner. (B, D)

Day 9: Wednesday, June 26, 2024 Whitefish - Flathead Lake - Missoula

Depart Whitefish and drive south, journeying along the western edge of beautiful Flathead Lake. Carved by the ancient glaciers that give Glacier National Park its name, Flathead Lake stretches almost 200 square miles. Quaint, small towns dot the shores here, built with the beautiful backdrop of nature behind them. You might even spot some orchards, growing Flathead cherries. Encompassing most of the lake is the Flathead Reservation, home to the Confederated Salish and Kootenai Tribes of the Flathead Nation. At one point, these tribes had territories that stretched out of Montana and into Idaho, British Columbia, and Wyoming. The Hellgate Treaty of 1855 set aside Flathead Lake for the tribes, reducing their lands to a fraction of what it once was. Tribal land was once again shrunk in 1904 by over half a million acres. Despite all of this, the Tribal way of life continues on to this day, passed down from elders to children though a rich oral and spiritual tradition. Get a glimpse into these traditions when you meet a descendant of the last Kootenai chief, and learn about the importance of the land in native life. Afterwards, head

Experience It! Great Falls

The five waterfalls near Great Falls, Montana might have been one of the greatest trials of the entire Lewis and Clark Expedition. Here, on the Missouri River, five waterfalls thunder down a series of cliffs, stopping the exploration of the Louisiana Purchase dead in its tracks. The only option was portage, where the entire expedition would pull their boats up on shore, and carry them through the surrounding wilderness, around the five waterfalls, and place them back in the Missouri over ten miles further up the river. This back-breaking labor took an entire month, but Lewis and Clark persevered. Now, their entire expedition is a legendary tale of American exploration.

to the final stay on your journey, the eclectic city of Missoula, where you can enjoy a relaxing evening at leisure. (B)

Day 10: Thursday, June 27, 2024 Missoula Your day in Missoula starts off with a visit to the Museum of Mountain Flying. Aircraft as well as interactive history displays that interpret and preserve the history of mountain flying and smoke jumping. Next, visit the Holt Heritage Museum, located on the Lolo Trail which was used by Lewis and Clark in 1805 and 1806. A private museum built by Bill and Ramona Holt, the extensive collection tells the story of Western Montana – from cowboys and rodeo's, to the native Nez Pierce and Salish/Kootenai cultures. This evening, enjoy a memorable farewell dinner with your fellow travelers, where you can raise a glass and toast to a wildly fun Montana adventure. (B, D)

Day 11: Friday, June 28, 2024 Missoula - Tour Ends Say goodbye to Big Sky Country and its beautiful sights as you head home. (B)
